

## **School Principal's Nominations (SPN)**

The main objective of SPN is to give due recognition to applicants who have contributed to social services, or made outstanding achievements in non-academic areas such as sports, music, social services, other cultural activities, or who have demonstrated leadership abilities. It is hoped that such nominations will encourage schools to provide opportunities for applicants to participate in different areas of non-academic activities, and applicants to make good use of these opportunities. The SPN can also provide the 9 JUPAS participating-institutions, the SSSDP institutions, schools, and applicants with experience which will be useful in the possible development of a more flexible system in Hong Kong which does not over-rely on public examination results.

If you are nominated under SPN, you will be considered by the 9 JUPAS participating-institutions and / or the SSSDP institutions concerned for their Band A programme choices as at a designated date in May 2021 on an individual basis. Nevertheless, it is not necessary that the nominated applicants will be accepted by the 9 JUPAS participating-institutions and / or the SSSDP institutions.

The 9 JUPAS participating-institutions and / or the SSSDP institutions may at their discretion:

1. make conditional offer(s) (in terms of achievements in HKDSE Examination results) before the release of the 2021 HKDSE Examination results; or
2. give bonus points to you when they compile the merit order list for the iteration process to improve your chance of admission to the nominated programmes; or
3. give no conditional offer(s) nor bonus points to you.

If you are given conditional offer(s), you will be guaranteed a place in the programme(s) concerned as long as you fulfil the conditions as specified by the JUPAS participating-institution(s) and / or the SSSDP institution(s) offering you conditional offer(s). Your application will at the same time be considered in the normal manner by all other programmes of your choice in the Main Round exercise.
